## Measurements:

- Pool Party Cardstock: 5-1/2" x 8-1/2", score at 4-1/4"
- Basic White Cardstock: 5-1/2" x 3", scrap
- Copper DSP: 1½" x 5½" (diecut)
- Ribbon: approximately 12"

## Instructions:

1. Stamp snowflakes and sentiment in Versamark on cardfront, coat with Silver Embossing Powder and heat with Heat Tool until melted.
2. Die cut snowflake edge on Basic White Cardstock, score approximately 1/2" from top of design. Apply adhesive along the solid portions on the inside, then adhere along top of fold of card.
3. Tie length of ribbon around top of card aligning over solid portion of Basic White cardstock and tie in knot
4. Die cut additional single snowflakes and adhere to cardfront with glue dots as desired.
5. Add Basic Rhinestone Jewels to single snowflakes and snowflakes on border as desired.
